

ANBP Award of Excellence for Outstanding Contributions to the Field of Augmentation Biological Control.

The Association of Natural Bio-control Producers (ANBP) is calling for nominations for the ANBP Award of Excellence. This award allows ANBP to recognize those individuals who have made, or are making, extraordinary contributions to the field of augmentation biological control and/or its use in integrated pest management. Nominees need not be members of ANBP.

The Nomination Package should consist of a nomination letter (2 page maximum) that summarizes the principle contributions of the nominee. A copy of the nominee's CV or Resume (no page limit) should also be included that provides the nominee's professional record (i.e., employment affiliations), description of biological control related activities (in paragraph form), and any other relevant contributions (i.e., publications lists, extramural grant record).

Nominations should be emailed (PDF or Word Document) by Monday, August 2, 2010 to Lynn LeBeck (exdir@anbp.org), or mailed to the following address (and must include the file on a CD or thumb drive).

Lynn M. LeBeck, Executive Director, ANBP, P. O. Box 1609, Clovis, California, USA 93613-1609.
